EXPERIENCE

•LearnFlu (AICTE Program) *July 2024 - September 2024*

Web Development Intern

- Completed a hands-on internship focusing on **HTML, CSS, JavaScript, Node.js**, and project-based learning.
- Developed a responsive web project addressing real-world challenges.
- Enhanced skills in version control, project documentation, and modern front-end technologies.
- Collaborated with mentors and peers to deliver a successful project.

• Shiksha.com *Feb 2024 - March 2024*

Freelance Reviewer and Contributor

- Managed a college review account, submitting detailed reviews based on guidelines.
- Promoted review submissions and earned **Rs.100** per referral through a custom link.
- Answered over **20** questions on Shiksha.com related to college comparisons and course details, assisting students in **decision-making**.
- Recognized with a reward package; contributions received **300+** views, helping numerous students.

SKILLS

Languages : **C | C++ | JavaScript | CSS | HTML | Python | SQL**

Frameworks and Library : **Node.js | Express.js**

Tools and Technologies : **Git | GitHub | Postman | VS Code | MongoDB**

Cloud Computing : **AWS (EC2, S3, RDS, IAM, VPC, CloudWatch, AWS CLI) | Linux**

Scripting : **Shell Scripting (Bash)**

Coursework : **OOPs, DBMS, Data Structures and Algorithms, Computer Networks, Operating System**

EDUCATION

•Indian Institute of Information Technology, Dharwad *December 2021 - May 2025*

B.TECH in Electronics and Communication Engineering CGPA: 6.29

PROJECTS

•ReyanoTech Solutions (Github Repository) *March 2024 - April 2024*

I developed this project as an e-commerce website to enhance my skills in web development.

- **Responsive Design:** Developed Home, About Us, Contact, Products, and Services pages using HTML, CSS, and JavaScript, ensuring a seamless user experience across devices.
- **Product Showcasing:** Created dynamic sections for bandsaw blades, circular blades, and machinery, providing detailed information for easy browsing.
- **Contact Form:** Integrated a Contact Us form to facilitate customer inquiries and support, enhancing engagement.

CERTIFICATES

•AWS Cloud Practitioner Essentials *View Certificate*

AWS Skill Builder February 2025

•AWS APAC Solutions Architecture Completion Certificate *Veiw Certificate*

Forage December 2024

•Web Development Program - Course Completion *View Certificate*

LearnFlu (AICTE Program) July 2024 - September 2024

•Introduction to Generative AI *View Certificate*

Google Feb 2024

ACHIEVEMENTS

•Selected for the Super 100 Program by the Haryana Government

2018-2020

•Among the **top 100** students in the state chosen for this prestigious program designed to support **high-achieving** students from government schools who cannot afford **IIT JEE**/**NEET** coaching fees. Selection involved scoring over **80%** in Class 10th, passing a rigorous two-level examination process, and mastering **advanced concepts** taught during an intensive **5-day** residential program.

•**LeetCode:** Solved 100+ problems, showcasing expertise in efficient coding techniques. (Profile)

•**GFG:** Solved 60+ DSA problems, demonstrating deep algorithmic understanding. (Profile)

•**Coding Ninja:** Solved 100+ problems, showcasing expertise in efficient coding techniques. (Profile)
